VOL. VIII. NO. 5.

CHICAGO, SUNDAY, JANUARY 5, 1902.

PRICE 5 CENTS.

## HARLEM'S STAKE OFFERINGS.

Stakes to be decided during the short spring and summer meetings at Harlem were announced by Secretary Nathanson yesterday. The list of twelve valuable fixtures opened last winter is duplicated, except in some minor changes in conditions, based upon results in 1901, and a shifting in values whereby the lowest added amount is \$1,500 instead of \$1,250.

The Twentieth Century Handicap remains the leader with \$5,000 added and an estimated value of \$7,500. In this also the entrance fee has been reduced from \$20 to \$15.

The M. Lewis Clark Stakes is again a feature. It is for 3-year-olds, nine furlongs, and is the annual trial for the American Derby, being run just one week in advance of the great Washington Park event. One of its popular points with horsemen is that by its conditions the winner carries no penalty for the big Derby. Last year forty-two of its nominations were candidates for the famous fixture at Washington Park.

The twelve stakes announced yesterday will close on Monday, February 10, and are as follows:

Stakes	Amount	Value	Value	Value
	Added.	Estimated.	in 1901.	in 1902.
Twentieth Century	\$5,000	\$7,500	\$7,220	
Harlem	3,500	5,750	5,790	\$1,470
Chicago	2,000	3,500	3,980	2,000
Austin	1,500	3,000	2,990	2,000
Garden City	2,000	3,000	3,270	2,000
M. Lewis Clark	2,000	3,000	3,140	1,140
Riverside	1,500	3,000	2,580	1,300
Junior	1,500	3,000	2,630	1,800
Proviso	1,500	3,000	2,640	1,800
Youngster	1,500	3,000	2,750	1,800
Graduate	1,500	3,000	2,280	1,230
Petite	1,500	3,000	2,650	1,150

Additional stakes for the midsummer and autumn meetings at Harlem will be announced in July. The second list will include such fixtures as the Maywood and Oak Park Handicaps, the Prairie State, Cicero, Speed, Sapling, Aspirant and Forward Stakes, and several events for steeplechasers. Cross-country racing will receive special attention at Harlem this year. The sport proved so popular last season, with only a handful of fair performers, that Secretary Nathanson has planned an effort to provide the real thing through the field during 1902. To that end he intends, during March, to visit the jumpers' strongholds in Maryland, Virginia, Washington, Boston and New York, and offer to owners inducements in the way of stakes, purses and increased number of races over the obstacles.

The field at Harlem, which was considered almost a perfect one last year, will be further improved. The disfiguring, whitewashed boards, upon which the jumps are based, will be removed altogether and every obstacle will be of dirt and sod only. The location of the jumps will also be changed to greater advantage by overcoming the present sharp turns, and the finish will be on the inside, thus avoiding the foul-producing twist into the main homestretch. These latter improvements will be rendered possible by one of the most important moves made at Harlem this winter. This is nothing less than the abolishment of the old inner, or training track, and in its place the construction of a grass course, similar to the turf course at Sheepshead Bay.

The novelty of the year planned by the Harlem Jockey Club is flat racing "on the grass," and there will be events at all distances with highweights on the turf course daily. A large force of men has been constantly employed at Harlem Park since last November in making marked improvements. The stables, kitchens, roadways and drainage have been repaired and rebuilt and an innovation for the trainers will be a wide cinder road, almost circling the plant, upon which to train horses when the main track cannot be used in bad weather.

A number of cottages for the use of horsemen and their families will be ready for occupancy early in May. Twenty acres immediately west of the course have been acquired by purchase by President John Condon and will be arranged into paddocks and

pasture ground for horsemen stabling at Harlem. Aside from this, plans have been drawn for a paddock from original designs by Messrs Condon and Nathanson, such as will outdo any similar structure in the world in cost, perfection of detail and attractiveness. This will be built if the necessary material can be secured in time for this year's racing. If not, the new paddock will be reserved as the leading improvement for 1903. The reconstruction of the golf course and the building of a club house are contemplated by the Newspaper Golf Club, whose members have their golfing home on the Harlem links.

As an interesting incident of the racing, Secretary Nathanson plans to have no race worth less than \$500 run at Harlem this season. The total amount of money added to purses will be much greater than last year, a system that pleases the average owner far better than the giving of a small number of valuable stakes on account of the greater chance of a more equitable division of earnings. But in every race with less than \$500 added, there will be an entrance fee that will bring the total to \$500 or more. The program for forty-three days of racing contemplates the distribution of \$200,000.

Entry blanks for the twelve stakes closing February 10 are ready for distribution, and the Harlem Jockey Club will make a thorough canvass for entries among the owners of high-class thoroughbreds. After an early trip to Kentucky points, Secretary Nathanson will leave on January 20 for California to interest horsemen there in Chicago's rich racing program and after that will visit Memphis. Z. G. Stebbins will be in charge of the New Orleans field and Clerk of the Scales Pomeroy is scheduled for Louisville and Lexington.

Winner—B. f. by Mars—Specialty.  
Went to post at 2:15. At post 1 minute. Start good. Won easily; second the same. Plead was probably favored by the soft going and from a bad start gradually improved her position and drew out of the field with ease in the last furlong. Kittie Kelly set a good pace and lasted unusually well. Malaise showed speed and hung on gamely. Ulm, poorly handled throughout, was going strongly at the end. McNamara went badly. Mont Eagle had scant chance at the start.

Scratched—30067—Lost Girl, 106.

Overweights—Einstein, 2 pounds.

Winner—Ch. h. by Goldfinch—Carina.  
Went to post at 2:40. At post 1 minute. Start good. Won handily; second easily. Finch made a very promising debut as a hurdler, showed much speed and fenced well. Duke of York ran a good race, but was carried hopelessly wide on the stretch turn by a riderless horse. Solano fenced and ran well. Favorito nearly fell at the first two hurdles and was badly ridden throughout. Rio Chico quit badly. Phil Archibald is a bad jumper, losing much ground at each obstacle. The time was a new record.

Scratched—29983—Distance, 125; 29841—Master Lee, 125.

Overweights—Solano, 5 pounds; Rosalbra, 5.

Time, 2:34 1/2.

Winner—Ch. g. by Altamex—Talluda.  
Went to post at 3:06. At post 3 minutes. Start bad. Won driving; second the same. Thaddeus, a good looker, was given a lucky start and skilful handling. He should improve, but was very lucky to beat the poorly handled Artvis. The latter got away very badly, closed a tremendous gap and was much the best. Prince Eugene beat the gate, which enabled him to get third. Tom Mitchell and Hudson were closing up strongly and both ran remarkably well. Clarinette closed a big gap from a bad start. Past Master ran very green. He has been highly tried. Montezuma had no chance at the start.

Thaddeus, show, 2 to 1. Artvis, show, out. Prince Eugene, show, 6 to 1. Montezuma, show, 3 to 5.

Winner—Ch. g. by Watercress—Helen Scratch.  
Went to post at 3:28. At post 2 minutes. Start good. Won easily; second the same. Water Scratch far outclassed the field, was waited with to the stretch and went to the front without much effort. He is a colt of above the average class. Legal Maxim finished with a rush and was easily best of the others. San Lution was a lucky third and caught Senator Bruce tiring badly from trying to race with the winner.

Scratched—(30047)—The Giver, 113.

Winner—B. g. by Brutus—Constellation.  
Went to post at 4:32. At post 3 minutes. Start fair. Won driving; second easily. Constellation had a rough journey, but finished with a rare and unexpected burst of speed through the last furlong and is evidently in his best form. Tower of Candles received a bad start and was made too much use of early. She should have won. Fitzkanet was a good horse badly messed about by Troxler, who made a dilatory move after losing a good position at the half. The colt finished very fast. Ordnung broke well next to the rail and went further than usual recently. He is very good. Sweet Tooth had no chance with his bad jockey, but appeared to be a contender at the furlong post after repeatedly being pulled up. Goal Runner was overweighed. Sly beat the gate, but failed in the stretch.

Scratched—29882 Meehanus, 110; 29797 The Pride, 109; 30025 Gusto, 99.

Winner—B. g. by Brutus—Decoy Duck.  
Went to post at 1:25. At post 1 minute. Start fair. Won driving; second easily. Duckoy, off badly but a quick beginner and next to the rail throughout, was skillfully saved and favored by the soft going. He made a good stretch run, but was lucky to head the fast coming Position. The latter broke flatfooted and was carried wide on the first turn, but made up a tremendous lot of ground and was best. The Fretter was used up in disposing of Beau Ormonde in the first six furlongs, which he did effectually. The latter was going very easily and appeared to be the winner to the far turn, but sulked under pressure and quit. When conditions are favorable he will beat good ones. Frangible went well throughout and will do to watch. Orleans was badly knocked about and interfered with. She was outclassed however. Andrisa quit after going a half and ran an unaccountably bad race. She seems to have staled off. Duckoy, show, 6 to 5. Position, show, 4 to 5. The Fretter, show, 7 to 10. Beau Ormonde, show, 3 to 5. Andrisa, show, 4 to 5.

W. B. GATES, even, won; FINCH, 15 to 1, won; WATER SCRATCH, ORDUNG and POSITION were a few of the good things that our clients received SATURDAY.

Remember, We are not Selling Guesses. We do not want the client of one day to be the enemy of the next. We deal in the best information that brains, money and experience can obtain, and when we do not have the winners we do not offer spurious ones.

Never Miss our Californias Either. They will prove in the long run the greatest daily investments during the winter. Winner—Ch. g. by St. Florian—Prosperity.

Went to post at 2:38. At post 5 minutes. Start poor. Won handily; second easily. Sir Florian gradually worked his way to the front, caught Eva Rice tiring in the run home and was going away in the last fifty yards. Arak ran a good race, took the short route and saved ground at all turns. Eva Rice was the victim of a bad ride. Gormley got her all but left at the post and then took the outside route and raced the mare into exhaustion. With good handling she would probably have won. Annie Thompson and Pirate's Queen finished well. Dramburg quit after going a half.  
Scratched—29809 Menace, 103; 30054 Star Cotton, 101; 29963 Miss Soak, 99; 30055 Masterful, 96.

Winner—B. f. by Pirate of Penzance—Oasis.  
Went to post at 3:13. At post 14 minutes. Start fair. Won driving; second easily. Marie Bell lost a lot of ground by swinging wide at the stretch turn but came fast through the stretch when straightened out and challenging Amigari strongly got her nose in front in the last stride. The weight told on Amigari when it came to a hard drive but she ran a good race and saved a lot of ground at the home turn. Dolce Far Niente was easily the best of the others. Siphon was never a contender at any stage. Little Emy ran well to the stretch.  
Scratched—30033 Ernest Parham, 103; 30052 Colonel Stone, 93.  
Overweights—Somersault, 1 pound.

Winner—B. c. by Deceiver—Fair Weather.  
Went to post at 3:55. At post 4 minutes. Start good. Won driving; second the same. Alard and Tayon came wide at the stretch turn forcing Petit Maitre to go around them. Alard and Tayon ran head and head through the last sixteenth with the former getting his nose in front ten yards from the winning mark. It was a very tight fit. Petit Maitre was wearing them both down at the end and would have won in a couple more strides. He covered more ground than any horse in the race. Ben Chance cut the corner when entering the homestretch and saved a lot of ground. The Hoyden had no mishaps.  
Scratched—29979 Mint Sauce, 119.  
Overweights—Petit Maitre, 1 pound; Ben Chance, 4.  
Alard, show, 4 to 5. Tayon, show, out. Petit Maitre, show, 4 to 5.

Winner—Ch. c. by Juvenal—Poupponne.  
Went to post at 4:25. At post 1 minute. Start good. Won ridden out; second easily. Piederich ran a good race, but was doing his best all the way through the stretch to stall off Velma Clark. He swerved over in front of the latter in the run home. Velma Clark ran to her best form and finished strongly. Malay finished well and wore the others down. Van Hoorebeke showed a lot of early speed and ran the best race he has shown here. B. G. Fox showed but little speed and ran much below his true form.

Went to post at 4:54. At post 4 minutes. Start good. Won easily; second driving. W. B. Gates was best, went to the front at his rider's leisure and came away easily in the run home. Campus made up ground in the stretch, finished strongly and caught the others tiring at the end. Dalkeith showed a lot of early speed but hung when the real issue came. Swordsman and Bean ran fairly well.

Winner—B. f. by Bolero—Eva K.  
Went to post at 3:00. At post 8 minutes. Start good. Won easily; second the same. It was only a question if Eva's Darling was fit. She was much the best and can beat a better lot. Lady Aintree ran well under bad handling. She tired in the run for home as if short. Grace showed great improvement. Hattie Davis had no excuses. Capitolia can do better. The same applies to Custodian.

Overweights—Lady Aintree, 3 pounds; Capitolia, 4.

Time, 26, 52 1/2, 1:05 1/2.

Winner—B. f. by Logic—Lady Relief.  
Went to post at 3:25. At post 2 minutes. Start good. Won easily; second driving. Latch String outlasted her company and won with ridiculous ease. Botina came fast in the final furlong, after being badly outrun in the early stages. With a stronger boy on John W. Daney he would have been second. Me and Jim Scanlan had a bumping match all the way. Both tired badly at the end.  
Scratched—30074 Little Tower, 101.

Botina, show, 3 to 5. John W. Daney, show, out.

Winner—Blk. h. by Himyar—Lady Agnes.

Went to post at 3:59. At post 5 minutes. Start good. Won easily; second driving. Dominis was cleverly rated in front and when given his head came away and won easily. He could have won by a bigger margin had his boy so elected. Aborigine had to be hard ridden in the final furlong to save second place. Julietta B. showed little speed in the first part and was in close quarters in the run home. Lady of the West was not ready. She outlasted this company when fit. Antagone performed poorly.  
Scratched—30060 Times Star, 104; 30060 Incandescent, 103.

Overweights—Kildarie, 5 pounds; Antagone, 34.

# GOSSIP OF THE TURF.

The stewards of the Western Jockey Club at their meeting here tomorrow will be asked to grant licenses for spring meetings at Douglas Park, Louisville, and Highland Park, Detroit, and for the reinstatement of the lessees and officials of these tracks. This announcement was made by Messrs. Walter O. Parmer, of Nashville; George M. Hendrie, of Toronto, and R. C. Chambers, of Hot Springs, after a meeting at Cincinnati last Friday. Mr. Parmer will be unable to arrange a schedule of dates for these meetings until after the session of the Board of Stewards of the Grand Circuit of trotting meetings, which is to be held in Detroit some time this month. The dates will be so arranged that the Highland Park and Douglas Park meetings will nick in with the Canadian Circuit, and reciprocal relations with the Western Jockey Club will be established in Canada. In the course of the coming week or ten days stakes will be announced for all these meetings; leaving the dates on which they are to be raced to be fixed later.

The opening of the New Year's racing at New Orleans is thus commented upon by the Picayune of January 2:

"Right royal was the entertainment furnished local turfites yesterday for the opening of the year's racing. There have been better days racing at the Fair Grounds, many of them, but none having more satisfactory results. The crowd that journeyed out to the track was of the usual holiday temperament and proportions. The majority would have been pleased with any old sort of racing, for to them it was just an outing, with the chance to speculate. Happily these humdrum sessions are a thing of the past, and the regulars were, in all candor, compelled to admit that it was winter racing at pretty near its best notch.

"If the same sort can be furnished for the remainder of the meeting it will mean some exceedingly bright pages for turf history, and will win for the Crescent City Jockey Club a following that is certain to place it on a higher level than heretofore enjoyed. Those to speculation inclined, and this meant about every man and woman on the ground, managed to pick up expenses and a little more. Favorites were beaten in three of the six events decided; still, this did not mean anything like surprises, for the reason that the defeated ones were outfooted by those equally well played. The track was a combination of uncertainties. On the backstretch it was fit for record breaking, but the final quarter was an expanse of lumpy, sticky, holding, treacherous paste-like mud that told on tired horses and kept the riders on their mettle trying to find

the best spots, such as they were. Under these conditions it was really surprising that results were as close to form as they were."

Tom Healey will leave New York City for California in a day or two. The visit is largely for recreation, but while there he will try to secure a good jockey for Mr. R. T. Wilson, Jr., whose racing interests are now so important as to warrant employing the best rider available.

Frank Van Meter has shipped five head of yearlings from his stable in Lexington, Ky., to Louisville, where they go into winter quarters for the purpose of training.
